Technical information about this website's accessibility

We are committed to making our website accessible, in accordance also with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

Compliance status

This website is **partially compliant** with the [EN 301 549]() "Accessibility requirements for ICT products and services", the European Standard and [Web Content Accessibility Guidelines version 2.1]() AA standard.

Non-compliance with the accessibility regulations

- C.9.1.3.1 – In some cases, information, structure or correlations conveyed by the presentation of pages cannot be determined programmatically (or are not available

through text);

- C.9.1.4.3 – Where not allowed, visual representation of text and images containing text does not always have the minimum contrast ratio required ***;
- C.9.1.4.4 – Some texts, except for subtitles and images containing text, cannot be resized up to 200 percent without using assistive technologies and without losing content and functionality;
- C.9.1.4.11 – For some essential components, even in different states, the color contrast compared to adjacent elements does not exceed the ratio of 3:1;
- C.9.2.1.1 – Some features cannot be activated by keyboard (or similar input interface);
- C.9.2.4.1 – There is no mechanism to skip content blocks that repeat on multiple web pages;
- C.9.2.4.2 – Some web pages do not have titles that describe the topic or purpose;
- C.9.2.4.3 – In some web pages that can be browsed sequentially and in which the navigation sequence affects their meaning and functioning, some objects that may receive the focus do not receive it with an order that preserves the meaning and operation of it;
- C.9.2.4.7 – On some interactive elements the focus indicator is not visible;
- C.9.4.1.2 – In some cases, user interface components (including: module elements, script-generated links and components), name, role, state, property and values are incorrect or set, or the user a.t are not warned when these attributes change;
